

# Grant Thornton UAE: China Desk

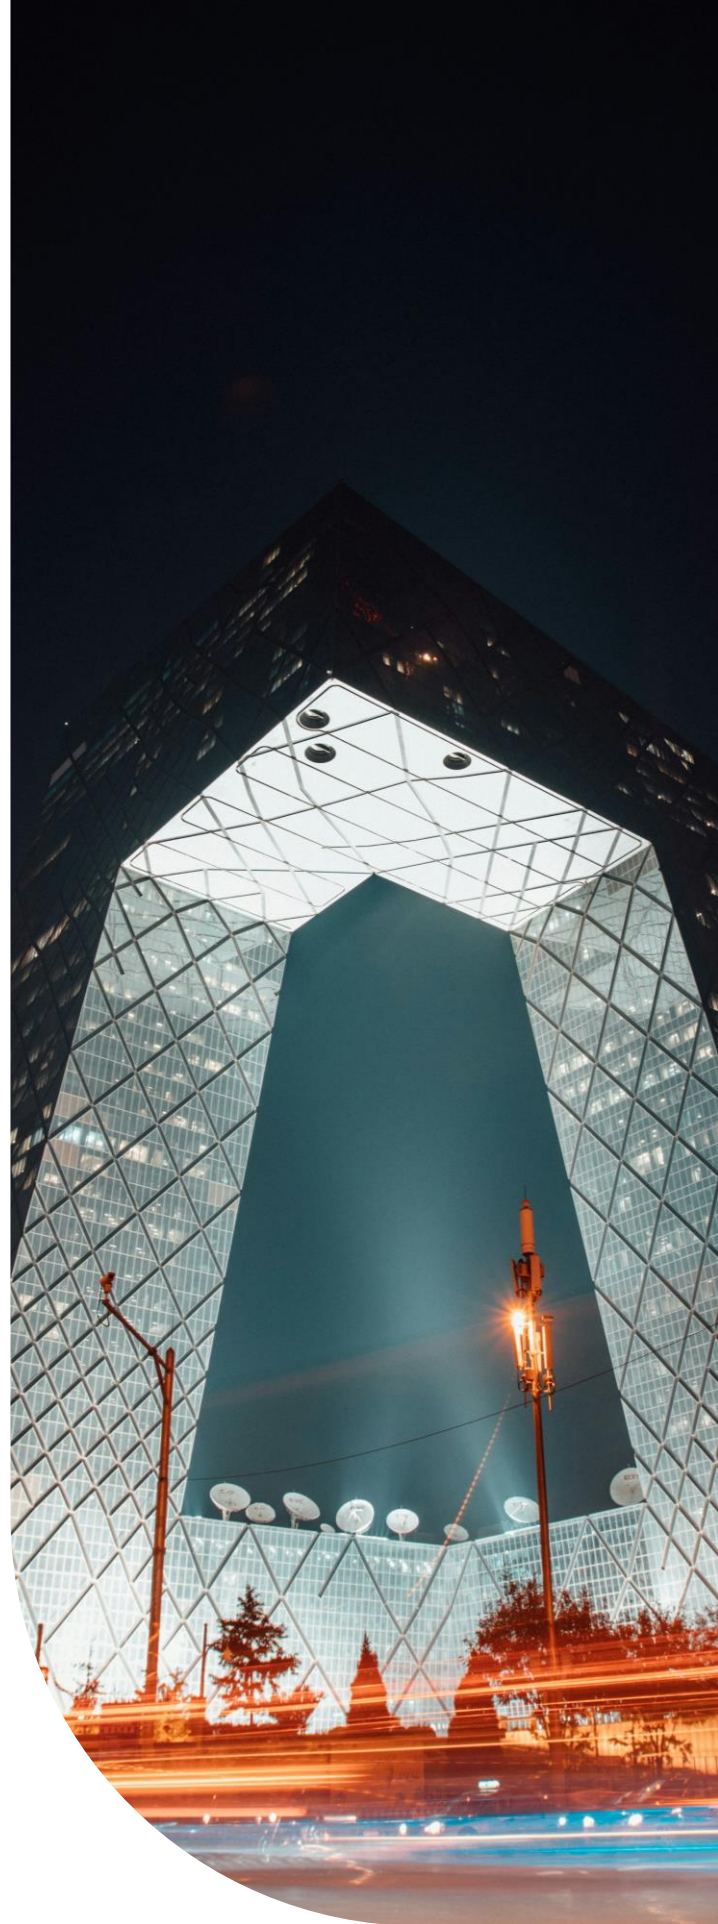

# Introduction

The ties between China and the Middle East have grown significantly in recent years due to strategic developments across a number of international forums.

Entering the Middle East market presents opportunities alongside challenges due to its unique regulatory landscape, tax frameworks, and business etiquettes. Our deep understanding of the Middle East's business landscape, combined with insights into Chinese business practices, empowers us to efficiently facilitate, plan, and manage cross-border projects. We also extend our expertise to Middle Eastern businesses seeking to navigate the complexities of the Chinese market, assisting them in achieving strong, sustainable results.

Our China Desk collaborates extensively with specialists in Audit, Advisory, Tax, and Business Process Solutions across Grant Thornton's member firms globally.

This collaborative approach allows us to bring together multidisciplinary teams tailored to support your specific needs and deliver exceptional outcomes, fostering your path to global success.

# Our services

Whether you are growing in one market or many, transforming your business, looking to operate more effectively, managing risk and compliance, or realising stakeholder value, Grant Thornton has the right experts to meet your needs.

## Audit:

Our audit practice is equipped with specialists who understand the individual requirements of your business as well as the increasing demand for greater transparency and disclosure in a rapidly changing environment.
