

Indirect Tax Services

Indirect Tax Services

There can be numerous indirect taxes affecting your business in the UAE including VAT, Customs and Excise duty. Customs Duty has been present in the UAE for quite a while now, VAT and Excise Duty although relatively new, will soon have been in place for 5 years. Organisations in UAE have adopted these legislations, but still face challenges on a day-to-day basis. Our specialist team at Grant Thornton works with clients on all their indirect taxes, ensuring you can minimize their impact on your bottom line.

- We offer a full suite of Indirect Tax services that can help businesses comply with their mandatory tax filing requirements, as well as address their key tax risks and examine potential tax opportunities. We ensure that businesses remain in line with the Indirect Taxation requirements within the UAE, along with supporting across the wider GCC region and beyond.
- Our services help organisations throughout the full life cycle of taxation, whilst ensuring our technical experts apply their insights gained from implementing and managing Indirect Tax in various jurisdictions.
- At Grant Thornton, we deliver high-quality solutions dedicated to your business. Our experienced practitioners are available to help you understand, adapt to, and overcome the various obstacles that may stand in your way.

The Grant Thornton Experience

We work collaboratively, promote regular and open communications, and ensure efficient knowledge sharing and effective problem solving.

What we are known for

Our ability to differentiate is underpinned by four non-negotiable, key principles which form the basis of our services:

- Relationships
- Quality
- Expertise
- Value

How we can add value

Experienced and partner-led international team

We are a flexible team to support your needs

We have people with the right expertise who will help you make informed decisions

We work with streamlined technologies to help you address the issues faster
