

Guy Wall
Partner, Restructuring

guy.wall@ae.gt.com

Guy has over 11 years of professional services experience spent between business liquidation and restructuring, transaction services, restructuring advisory, mergers and integration and distressed business management.

His broad industry experience includes reviews and advice for major banks, government departments, companies and sole traders. He has great deal of experience of working in the international market and has provided advice to clients across different industries and continents.

The services he has delivered include corporate restructuring and turnaround projects, independent business reviews, solvency reports,

strategic business management and establishment, expert witness reports for courts and government, compliance solutions, profit improvement and business establishment integration, government quality reviews, trustee of sale, all aspects of court, creditors' voluntary and members' voluntary liquidations, voluntary administrations and deeds of company arrangement, and receivership and managing controllership.

While with Grant Thornton, Guy managed the first exit of a Central Bank regulated Bank in the UAE, numerous global tier one banks, law firms, investment banks and offshore institutions.
